

AYESHA

Mianwali, Punjab, Pakistan | 2488ayesha@gmail.com | github.com/ayeshaa007 | linkedin.com/in/ayeshaa007

Objective

Frontend-focused Computer Science student with a strong foundation in React, JavaScript, HTML, and CSS. Passionate about building clean, responsive, and user-centered web interfaces that deliver meaningful digital experiences. Experienced in component-based architecture, responsive design principles, and collaborating within real-world development workflows through hands-on internship experience. Actively expanding skills in backend fundamentals and API integration, with the goal of growing into a well-rounded frontend developer who bridges design and functionality effectively.

Education

BS Computer Science – University of Mianwali, Punjab, Pakistan | CGPA: 3.63 | Expected Graduation: 2027

Experience

Frontend Web Development Intern – Developers Hub Corporation | 6 Weeks (Ongoing)

- Working on a React-based e-commerce website as part of the frontend development team.
- Developing responsive UI components and improving user interface layouts.
- Practicing component-based architecture and frontend development workflows.
- Collaborating using GitHub and modern frontend development practices.

Technical Skills
